

The Chinese Language Center, a professional Chinese School opened in 2011, offers a wide range of teaching services for kindergarten, school children, older students and adults, as well as business persons that interact or do business with China. The staff comprises of certified Chinese teachers who are passionate about China, who not only teach grammar, pronunciation and writing, but also present China from an insider's perspective, show its culture, art and etiquette. The Center is experienced in teaching at companies and has an impressive client portfolio that includes both international corporations as well as smaller Polish companies. The Center organizes trips to China and summer camps in Warsaw with Chinese language classes held daily, Wushu based exercises and workshops related to Chinese culture, arts and cuisine.
